216 S. Center Street
Statesville, NC 28677

Dear Mr. Archer:

I am pleased to inform you that 216 S. Center Street, which was nominated for a 2010 North Carolina Main Street Award by Downtown Statesville Development Corporation, was the winning entry in the category of Best Façade Rehabilitation Project for \$10,000 or Less and is the recipient of the **Award of Merit**. We received a number of excellent entries, and the jury had to make some very difficult decisions. We are grateful for your efforts in furthering the cause of downtown revitalization in your community and delighted to recognize those efforts.

Awards will be presented at the North Carolina Main Street Annual Awards Reception and Program in Shelby on January 27, 2010. You will be receiving a formal invitation to this event soon, and we hope you can attend.

Again, congratulations! We hope to see you in Shelby.

Sincerely,
